

2025 Legacy Giving Opportunities

Legacy Giving is a wonderful way to benefit your charity of choice over time, or to plan for a gift down the road that will support your cause for years to come. **Collaborate with your financial advisor to determine the most suitable approach for these arrangements.**

MONTHLY GIVING

Opting for a monthly gift, you're not just making a donation, you're making a difference that grows. It's like a snowball rolling down a hill, gaining momentum and size over time. Even the smallest monthly contributions pile up into a mountain of support across the year. And with a steady stream of funds we can count on, we're able to be there, ready and able to serve our ever-expanding community. It's your regular support that lets us go the extra mile in our mission.

ENDOWMENT FUND

Endowment funds are permanently invested, income earning gifts that provide lasting support for charitable organizations. At Interfaith Food Bank Society of Lethbridge, we are proud to have an endowment fund managed by the Community Foundation of Lethbridge and Southern Alberta. When you contribute to this fund, your initial investment remains intact, while the annual earnings are utilized to further our mission. This approach not only ensures the long term sustainability of our services but also amplifies the impact of your generosity over time.

We have set a goal to raise \$35,000 in recognition of fighting hunger in the Lethbridge community for 35 years. Help us continue to be a sustainable support in the Lethbridge community for the next 35 + years by contributing to our Endowment Fund today!
